MEMO TO: Board of Directors
DATE: October 31, 1983
RE: Sewer Rates and Charges
FROM: Charles J. Johnson

The attached Ordinance No. 23 serves two purposes. One, the addition of charges for septage as required under the terms of the Clean Water Grant Program. Two, the addition of a \$25.00 deposit for sewer service. As suggested by Director Ramey, the addition of a \$25.00 deposit with the \$20.00 deposit for water service will make a total of \$45.00. These can be applied separately for water and/or sewer only.

The septage charges are as per the engineer's recommendation in the revenue program and as required by Water Resources for grant payments beyond 90%.

Bill Cooke will have a schedule for adoption and a projected effective date for the Ordinance.
