SUBJECT: *Filing of Notice of Determination in compliance with Public Resources Code §21152.*

State Clearinghouse Number: 2021120195

Project Title: McKinleyville Community Services District 4.5 Million Gallon Water Storage Reservoir

Project Location: The Project site is located on APNs 509-021-046 and 509-021-045 along Cochran Road in the community of McKinleyville, California within Humboldt County. The project area is located in Section 8 of Township 6 North, Range 1 East, of the Arcata North, California, U.S. Geological Survey (USGS) 7.5-minute topographic quadrangle at approximate longitude 124o 5' 16.6236" W and latitude 40o 55' 29.7804" N.

Project Description: McKinleyville Community Services District (MCSD) proposes to add a new 4.5 million-gallon (MG) water storage reservoir (tank) to its existing water distribution system. The Project consists of construction of the new reservoir and access road at MCSD's existing Cochran Road tank site. Two tanks with a total storage volume of 2.5 MG are currently at the site (APN 509-021-046) and will remain in use. The new reservoir will be located southeast of the existing tanks (APN 509-021-045) and will supplement MCSD's existing storage volume increasing distribution system resiliency in the event of seismic and other emergency events. A new overflow drain line will also be constructed that will serve both new and existing reservoirs. The new 18-inch drain line will be routed to the northeast to drain towards the existing storm drain system on the south side of Cochran Road. Sections of the new drain pipeline will be buried with approximately 260 feet being constructed above ground.

This is to advise that the MCSD, as Lead Agency, has approved the above described project on February 2, 2022 and made the following determinations:

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared pursuant to provisions of CEQA.
A Negative Declaration was prepared by the Lead Agency for this project pursuant to provisions of CEQA.
3. Mitigation Measures [were were not] made a condition of the approval.
4. A mitigation reporting or monitoring plan [was was not] adopted by the Lead Agency for this project.
5. A Statement of Overriding Considerations [was was not] adopted.
6. Findings [were were not] made pursuant to the provisions of CEQA.

The IS/MND is available to the general public at the MCSD office 11
online at <https://www.mckinleyvillecsd.com/> or <https://ceqanet.org>
